

Dedoubleyou Designs Jewellery Collection:

All of the jewellery I create are inspired by my love of colour and texture, I have a varied range of unique pieces from delicate studs & drop earrings, to the larger more dramatic earrings and pendants that can be worn as a set or on their own as dramatic statement pieces, (these pieces will surely turn heads) through to tactile rings, bracelets and cufflinks, something for everyone.

All and pendants are sold with a choice of Sterling Silver snake chains or Gold plated snake chains, cable necklet or waxed thongs. Selection should be made when ordering, all earrings are sold with Sterling silver fish hooks.

All cufflinks & ring (adjustable) are nickel plated but can be made in sterling silver if required, this must be stated when placing an order. Because my jewellery pieces are so individual and the range quite varied and limited, If you would like to buy anything viewed online or ask any questions, please don't hesitate to phone or email me.
